DETAILED ACTION

Allowable Subject Matter

Claims 7, 13-14 and 24-30 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record failed to teach a connection information from the connection table does not match the connection information from the parsed header, then determining if any additional connection addresses are hashed in the connection table at said index, and if additional connection addresses are hashed in the connection table at said index, then, retrieving the additional connection addresses, comparing the additional connection addresses to the connection information from the parsed header fields, and if any of the additional connection addresses match the parsed header fields, identifying the incoming packet as being part of an established connection in combination with a processing mechanism configured to perform packet re-assembly on packets determined to have valid connections with said host.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
